STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

	Date of Appropriation of Groundwater December 3, 1964
	Owner Alica H. Nelson Address Box-627, Glasgow, Montana
	Contractor (if any)
	Address of Contractor
	Date Started Nov. 7,1964 Date Completed November 15,1964
N N	Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This is a spring on side of hill.
	This is a shellow well dug by hand and pipe put in
	for watering stock.
	E
**	Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent
s	estimate approximate lengths of periods of use
E4SE 14 Sec 23 T 31 R 36	April through December, and longer if weather permits;
Indicate point of appropriation and place of use, if possible.	may be used the year round if possible to "end stock
	during winter months. Estimate 20 gal. per minute.
•	Signature of Owner. acin 78. 72clson
	Date December 3, 1964
	cra \ _athmins her the owner

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
